## School District

Community Quarterly Newsletter | CARSON CITY, NEVADA | Fall, 2021

### A NOTE FROM OUR SUPERINTENDENT

I am very happy to welcome our students back to school this year. I am glad to hear school bells ring and student chatter in hallways. I love seeing school buses rolling around town and backpacks shouldered by our community's most precious assets. These are the happy signs of school happening again. Much like last year, [returning to school](#) this year has been unusual. But I am most pleased to see all students attending school in-person 5-days a week. The safest and best place for students continues to be learning each school day in their desk at school. The voice in my head reminds me to continue to think about our children. No matter our individual beliefs, I implore all of you to remain focused on our children. They need us. They count on us to work together, communicate with one another respectfully, and

advocate for them to receive the educational experience they deserve. We teach and expect our students to model a culture of respect and value individual differences. We encourage parents and families to emulate the example of their students to be kind, courteous, responsible and respectful.

As we start this new adventurous school year, I hope to count on you and your support to make this year great for our students. Navigating the third school year touched by a pandemic will not be easy. But the pandemic will not define us. It will not limit us, nor will it stop us from making every effort to provide the finest educational services for our children. Safety is a paramount priority of ours. To ensure our children can thrive in the healthiest learning environment and to keep our schools open for in-person learning, we plead with you to complete a [Daily Self-Screening](#) each morning before school and keep any child home if they experience any cold or flu symptoms.

Thanks for all you do. You are truly appreciated!  
Richard Stokes, superintendent, Carson City School District

### DAILY SELF-SCREENINGS BEFORE SCHOOL

Before any student steps on a school bus or enters a school campus, parents are asked to perform a health and wellness assessment. In the [Daily Self-Screening](#) tool available on [CarsonCitySchools.com](#) in the "[Return to School 2021](#)" tab. These daily health and wellness checks focus on specific symptoms students or family members may have experienced within the last 24 hours. It also characterizes those symptoms as "new" and "different" from on-going health issues such as asthma, allergies, reflux, COPD, etc. These symptoms would be "Not Normal" to the parent or the student.

## COVID-19 RELATED DATA AND IDENTIFIED ACTIVE CASES

---

Carson City School District continues to monitor data concerning the current COVID-19 conditions in the Quad County area and individual school sites. [A COVID-19 School Dashboard](#) is available at the State of Nevada Department of Health & Human Services Office of Analytics website.

The school district continues to work in close cooperation with a dedicated school investigator at the health department to identify active cases and close contacts. This data is reported to the Office of Analytics. Investigations are supported by Abbott

BinaxNOW Rapid test kits being administered in school health offices. The tests may be performed on students and staff who become symptomatic during the school day and their close contacts. Tests are only administered on student and staff who have symptoms or are identified as close contacts of a school related case. For information on asymptomatic testing, please visit the [health department's website for the current calendar of testing sites](#).

PLEASE NOTE, a positive case reported by the Carson City School District does not mean that individuals contracted COVID-19 at a district school or any other district facility.

## COVID-19 TESTING

---

In accordance with the State of [Nevada Emergency Declaration 048](#), COVID-19 testing will be required for unvaccinated students, staff and volunteers participating in activities that involve travelling to schools outside of the county. Testing will also be required for all unvaccinated participants in NIAA sponsored full-contact and close-contact sports.

The district will implement a weekly scheduled COVID-19 testing program for students and staff or volunteers, including but not limited to coaches, leaders and advisors, who are not fully vaccinated and who are involved in travelling to other schools or venues outside of the county for athletics and activities such as games, tournaments, competitions, concerts, meets or similar events. Testing for these program participants will be offered on a scheduled basis at Carson High School. No test will be performed during school hours for school travel or athletics programs. The calendar of testing dates and times will be published separately.

Random screening of unvaccinated persons is not currently anticipated in the testing program but may be introduced if necessary to keep schools open. [Click here](#) for more information.

## ADDITIONAL GUIDANCE REGARDING SCHOOL CLOSURES

---

As poor air quality may return to the area, we have provided [additional guidance regarding school closures](#). At the beginning of each school day, the superintendent will review the AirNow.gov Air Quality Index (AQI) and the day's weather forecast. If the AQI is reported at or above 400 by AirNow.gov for the 89701 zip code by 5:30 a.m. and the weather forecast predicts that conditions are not expected to improve, all employees, students and families will be notified that school will be cancelled. Additionally, if the school day begins and the AQI reaches or exceeds 400, school will remain in session for the day and students and staff will remain indoors.

If schools are closed because of a natural disaster, inclement weather, accident or any other extraordinary circumstance, per [instruction from the Nevada Department of Education](#), those days including Smoke Days are not considered "days in school" regardless of the digital ability to provide remote instruction. Consequently, neither teachers nor students are expected to participate in remote learning activities during a canceled school day. No student activities, schoolwork or programs will occur, and homework should not be assigned. Any canceled school days will need to be made up at the end of the school year in June.

## EVACUATED FIRE FAMILIES IN CARSON CITY INVITED TO ENROLL STUDENTS

---

The ravaging toll of wildfires caused thousands of residences and families in Lake Tahoe communities to evacuate their homes and were displaced to shelters throughout northern Nevada. The Carson City School District invited all evacuated families in Carson City with school-aged children to enroll their students through the [McKinney-Vento Students in Transition](#) program.

The district is seeking to return a sense of normalcy to the lives of these students and families impacted by the fire. Students can be enrolled in school immediately, where they can receive free breakfast and lunch, as well as assistance with clothing needs and school supplies. Counselors, peers and other resources are also available to assist. For more information, please contact Christie Perkins, 775-283-1537, [cperkins@carson.k12.nv.us](mailto:cperkins@carson.k12.nv.us) or [visit the website](#).

## STILL SEEKING TO FILL VACANCIES IN JOB OPENINGS

**Opportunities & Employment**

- ★ Exceptional Staff
- ★ Professional Growth
- ★ Life-long Learners
- ★ Career Advancement

**CARSON CITY SCHOOL DISTRICT**

We are [still looking to fill some positions](#) as the new school year begins. There are still 18 teachers to hire, including seven classroom teachers, six special education teachers and five teacher-on-special-assignment (TOSA) interventionist positions offered through the Elementary and Secondary School Emergency Relief (ESSER) funds to address learning loss. For classified vacancies, 18 educational support personnel openings were available as of Aug. 10 as well, with approximately 9 SPED paraprofessionals, three bus drivers, two regular education paraprofessionals, one custodian, one safety officer, one library media technician and one bus attendant. The district brought on several custodians at the beginning of hiring season.

Because of the staffing shortage, additional opportunities are now available. If you are a retired educator or former employee, you are encouraged to check with Human Resources. To search and apply for jobs, please [click here](#).

## NEW EMPLOYEE AND TEACHER ORIENTATION

Wide-eyed and filled with excitement, 46 new teachers joined the Carson City School District in an orientation welcome meeting at the Governor's Mansion Larry Ruvo Stateroom Wednesday, August 4. New teacher orientation has traditionally been a celebrated affair with a kick-off event with Superintendent Richard Stokes and other administrators, principals and directors.

The district was excited to host the event again this year since last year's event was dropped amid the pandemic restrictions and escalating hybrid schedules. Click here to [read more on this event](#).

## NEW PRINCIPALS AND ADMINISTRATORS

---

First-day jitters were not just for students. We are pleased to announce the appointment of 10 new principals and district administrators (left-to-right, alphabetically by school) for the 2021-2022 school year.

- **Cheryl Richetta** as principal for Bordewich Bray Elementary School
- **Jon “Shelby” Tuttle** as vice principal for Bordewich Bray Elementary School
- **Rodney Wade** as dean of students for Carson High School
- **Lois Linehan** as dean of students for Eagle Valley Middle School
- **Kari Pryor** as vice principal for Fremont Elementary School
- **Cheryl Macy** as director of Equity in Curriculum and Instruction
- **Tanya Scott, Ph.D.**, as assistant director of Equity and English Learner Programming
- **Michelle Cleveland** as coordinator of MTSS and Project AWARE
- **Brittany Witter** as coordinator for Humanities Curriculum and Assessment
- **Christine Perkins** as special projects coordinator for McKinney-Vento and Foster Care

## SCHOOL BOARD SPONSORS AMERICAN CITIZEN ESSAY CONTEST ON HEROES

---

The Carson City School District’s Board of Trustees is pleased to sponsor the 20th Annual American Citizen Essay Contest. Completed essays are due to the Carson City School District at 1402 West King Street **no later than 5 p.m. Monday, Nov. 1, 2021**. Click here for more details.

Any public, charter, private or home-schooled student in Carson City may participate in the contest. The essay should be no longer than five (5) pages and may be as short as the student desires. The essay may be handwritten or typed.

Essays will be judged within each grade level as they follow adherence to the topic, their quality of writing and their originality of thought. The topic for this year is the following:

“Twenty years ago on September 11, 2021, many people became heroes in the face of tragedy. As we honor the 20th anniversary of the tragic events of 9/11, pick someone in your life who you feel is a hero and describe why.”

Winners will be publicly announced at the Nov. 23, 2021 school board meeting. Click here for [more details](#).

## COVID-19 EVENT AND FLU SHOT CLINICS OFFERED IN OCTOBER

[Carson City Health and Human Services](#) (CCHHS) is working with the Carson City School District to offer qualifying children [COVID-19 Event and Flu Vaccinations](#) free of charge **Saturday, Oct. 9, from 8:00 a.m. to 2:00 p.m. at Carson High School**. Additionally, annual seasonal flu immunizations will be offered at school sites throughout October. See dates, times and locations listed below.

In order for children to receive a flu shot, please:

- ✓ **COMPLETE** and **SIGN** the consent form that is [available on the district's website here](#).
- ✓ **SEND** the completed consent form back to the child's school/teacher no later than **ONE DAY BEFORE THE SCHEDULED CLINIC**.
- ✓ **READ** the Influenza Vaccine Information Statement. It will be given to your child on the day of vaccination or can be obtained from the CCHHS website, where you can also access more information: [GetHealthyCarsonCity.org/immunizations](http://GetHealthyCarsonCity.org/immunizations).

## NEW STUDENT SUPPORT SERVICES VIDEO

---

There are some exceptional employees in our district who assist with students needing special support. Student Support Services help extraordinary learners like Ginger each day. Because of their efforts, we have come to know when supported appropriately, these special needs students can go on to lead and live successful lives on their own. Click here to [watch the video](#).

## PARTNERS FOR A SUSTAINABLE NEVADA KICK OFF VIDEO

---

As the most energy efficient school district in Nevada, we work closely with many organizations across the state to develop programs where we can grow and prosper, while maintaining our natural resources for generations to come. Please enjoy this short video created by [Partners for Sustainable Nevada](#), featuring Mark Korinek, director of operations with the Carson City School District. Click here to [watch the video](#).

## REMINDER SCHOOL ZONE TIMES: 15 MPH FROM 7 A.M. TO 4 P.M.

---

We have worked closely with [Carson City](#) government officials to conduct a [Safety Review Study](#) designed to improve bicycle and pedestrian safety at our schools. As a result, last year, **all school zones** in Carson City were modified to reflect speed reductions for the full duration of the day, **7 a.m. to 4 p.m.**, Monday through Friday. This effort was part of the Carson City Western Nevada Safe Routes to School Master Plan to implement a School Zone Speed Standard at all elementary, middle and high schools in Carson City. Please take caution and note the 15-mile-per-hour limits surrounding all of our schools.

## PAYROLL DEDUCTION ENROLLEES ELIGIBLE TO WIN TABLET AND KEYBOARD

Making educational excellence a reality--  
for all our students, every day.

Now through October 31, all current and new payroll deduction enrollees will be eligible to win a free tablet and keyboard (provided by [Greater Nevada Credit Union](#)).

School district employees can support the Carson City Schools Foundation (CCSF) with an ongoing contribution via Payroll Deduction. \$1 per payroll equals \$24 per year. If 960 employees donated \$24 per year, the foundation could raise \$23,040 per year. District employees interested in making a payroll donation should obtain a Payroll Deduction Form from their site office manager. Community members can also make a one-time donation by visiting [ccschoolsfoundation.org/campaigns/donations](https://ccschoolsfoundation.org/campaigns/donations).

The [CCSF](#) was created to increase student achievement through philanthropic investment and involvement. Although relatively new, it is a growing partner for public schools in Carson City. The foundation, directed by community volunteers, does not compete with Parent Teacher Organizations (PTO's) or other school activity support groups. [The foundation rather seeks support and donations](#) to fund programs that expand education opportunities.

At its heart, it supports many programs including Pre-K Education (so all students are prepared for success), Mini Grants (for teachers and staff to help fund classroom innovation and creativity) and STEAM (Science, Technology, Engineering, Art and Math). This past year, the foundation awarded nearly \$20,000 in funds supporting special grants, mini grants, department grants and scholarship money.

## JUMP START DONATIONS FOR TEXTBOOKS AMOUNT TO NEARLY \$17,000

The [Carson City Schools Foundation](#), in support of the Carson City School District, is pleased to announce its 'Sponsor a Student' for [Western Nevada College](#) (WNC) Jump Start College program raised nearly \$17,000 for textbooks and other necessary materials for high school Jump Start students.

The approximate cost for Jump Start College materials for the projected enrollment of 125 students was expected to be \$12,500 or \$100 per student. The Foundation committed matching funds of \$6,250 for half of the amount. Community and corporate donors contributed a whopping

\$10,745 in total, rounding out a combined total of \$16,995 in funding. [Click here to read more.](#)

## NUTRITION PROGRAM UPDATES

The Carson City School District's [Nutrition Services](#) is pleased to announce the U.S. Agriculture Department (USDA) plans to provide free breakfast and lunch for all students 18 and under for the 2021-2022 school year (ending June 2022). In the past, this program was only offered during summer months when school was not in session.

The USDA's national school meal programs have long been a vital source of nutritious meals for students. Families normally need to meet income requirements to qualify for free or reduced breakfasts and lunches. But as schools closed during the pandemic, the USDA eased restrictions so

schools could focus on providing meals while keeping families and staff safe. We are excited to continue to do this without the hassle of free or reduced applications. Meals will be provided at the student's request. Parents and families may also contact Nutrition Services at 775-283-2150, if they have additional questions.

## SCHOOL-BASED HEALTH CENTER PROVIDES HEALTH SERVICES FOR STUDENTS

In partnership with Nevada Health Centers, the Carson City School District offers a [School-Based Health Center](#) open to Carson City families of school-aged children. The health center located at 618 W. Musser Street (behind the Professional Development Center at 604 W. Musser) in Carson City provides the following services:

- Preventive health and wellness
- Well child checks
- Sick visits
- Sports physicals
- Immunizations
- Health Management

The health center also accepts the following payment sources:

- Private Insurance
- Medicaid and Medicare
- Nevada Check Up
- Women's Health Connection
- Sliding fee for low income uninsured patients

Appointments **Call: 800-787-2568**. Open: Tuesday & Thursday, 7 am – 5:30 pm (closed for lunch 12-1 pm)

## BULLYING AND SAFETY TIP SYSTEM: SAFEVOICE

Carson City School District provides a 24/7/365 (24-hour, 7-days-a-week, 365-days-per-year) safety tool. [SafeVoice](#) is a live tip reporting system for school safety and student well-being offered in partnership by the [Nevada Departments of Education](#), the Nevada Department of Public Safety and, more locally, the Carson City Sheriff's Office to all K-12 schools, students, parents and community members in Nevada.

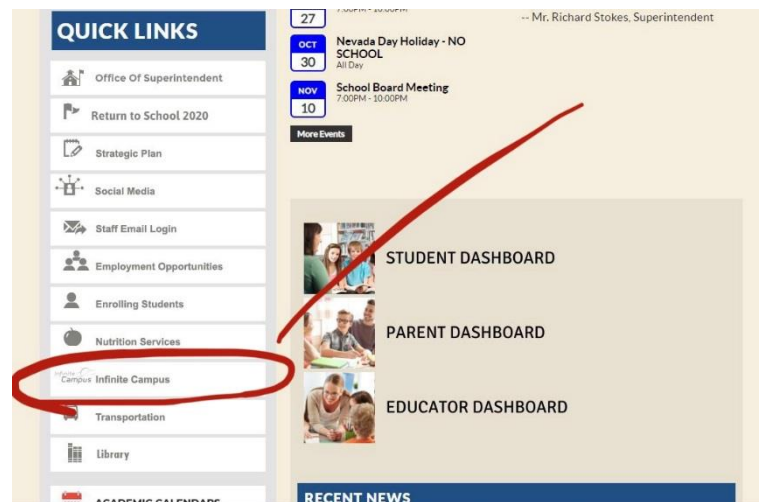

Students, parents and community members can report concerns about their friends or themselves by using the free SafeVoice app, calling 1-833-216-7233 (SAFE) or visiting [safevoicenv.org](#). The reporting tool is easy to use, and when the person who reports an incident logs back in, he or she is able to dialogue with SafeVoice Communications Specialists who will determine if law enforcement is needed immediately to protect life safety. Reports are sent to the schools where administrators and counselors will respond with support, intervention and a safety plan for the child of concern. Similarly, any reports, where law enforcement are needed, will be sent directly to dispatchers in Carson City. Reporters may remain anonymous, and by law, all reports are confidential – they are never shared outside of the SafeVoice response system.

## INFINITE CAMPUS ONLINE REGISTRATION, ANNUAL UPDATES

Online registration, annual updates need to be finalized for the Carson City School District. The annual update is an online process that allows families to verify and submit yearly-required information such as current home address, contact information and emergency contacts necessary in the event district administrators or teachers need to contact parents or families regarding their child.

This online process eliminates forms and paperwork that used to be required for annual registration. With the [Infinite Campus](#) online tool, parents and families can view class schedules, attendance records, teacher communications and other information regarding the school and their student.

The district also needs this information updated each year to allow students to have their photo taken, update medical records, use district technologies, etc. In the event you cannot remember your Username or Password, contact your child's school to have them reset. For more information about Infinite Campus, including training, how to navigate the campus portal, installing the app on your phone and more, please [click here](#).
