Mission Statement

In partnership with the community, we will make the most of every day for every student by empowering them with the skills, knowledge, values and opportunities to thrive.

Superintendent's Highlights

While no single report can tell the complete story of our educational accomplishments, the following are a few highlights of the 2013-14 school year:

- Carson City School District is in the 2nd year of its Strategic Plan and Race To The Top-District Grant.
- Community members and school staff meet together quarterly to hear updates relative to the Strategic Plan and Race To The Top initiatives. This group provides direction and feedback regarding progress of the programs.
- The City Supervisors, School Trustees, and Library Trustees have all formally endorsed and embraced each other's Strategic Plans. The public gesture is aimed at affirming and strengthening the working partnerships that currently exists between these local agencies.
- Thanks to funding from the 2010 School Bond, new, controlled, single-point of entry systems have been completed at every school except Pioneer High School. Pioneer High School's single point of entry is under construction and will be completed by the start of school 2014-15.
- 1:1 Mobile Devices (laptop computers) have been distributed to all middle school students and teachers in the District. Students in grades 3-5 and high school will receive District-owned laptops in the 2014-15 school year.
- The secondary level Curriculum in the District was updated to improve consistency between related courses and transition between grade-levels. Aligned assessments are also part of this work.
- Carson High School Teacher, Adam Whatley, was named the State of Nevada Teacher of the Year.
- The Carson City School Board was recognized as the 2013 School Board of the Year by the Nevada Association of School Boards.

Goals and Objectives

Goal 1: Increase the student achievement of ALL students in the Carson City School District. This includes students at ALL grade and ability levels.

Objective: All subgroups will make Adequate Yearly Progress (AYP) in math and English/Language Arts (ELA)

District Communication Efforts

The Carson City School District televises the Board of Trustees through access television twice each month. Each school distributes a monthly newsletter to parents and community members as a means of keeping the public informed about school activities, programs, and events. Elementary schools hosted Parent/Teacher conferences at the end of the first quarter, and then again at the end of the third quarter. Test results and interpretation guides are sent home at the completion of each standardized test cycle. Each school maintains a website providing school-wide information. The district provides a website (www.carsoncityschools.com) where parents and community members can obtain information regarding policies, procedures, curriculum and assessment results. Elementary schools utilize PeeChee folders to communicate with parents on a weekly basis. Each school hosts school-wide activities to encourage parent participation, i.e. science fairs, family reading nights, math nights, and a variety of other social events. The high schools and middle schools utilize PowerSchool so parents have access to grades and announcements 24 hours a day via the computer. A bilingual parent liaison was hired to service our K-12 parents.

Discipline

2013-2014 District Accountability Report

It is the policy of this District to provide regular in-service education and training about harassment, sexual harassment, intimidation, and bullying for employees and students. Such in-service and training shall include:

- Awareness concerning the various types of bullying, harassment and intimidation; how the bullying, harassment and intimidation manifests itself, and the devastating emotional and educational consequences that may occur.
- Training in the appropriate methods to facilitate positive human relations among pupils without the use of bullying, harassment and intimidation so that pupils may realize their full academic and personal potential.
- Methods to improve the school environment in a manner that will facilitate positive human relations among pupils.
- Methods to teach skills to pupils so that pupils are able to replace inappropriate behavior with positive behavior.

Summary of Standards-Based Test Performance

Nevada uses criterion referenced tests (CRTs), Nevada Alternate Assessment (NAA) and the High School Proficiency Exam (HSPE) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to the Nevada Report Card Website at www.nevadareportcard.com.

- ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)
- AS = Percentage of students performing in the Approaches Standards range of achievement
- MS = Percentage of students performing in the Meets Standards range of achievement
- ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)
