2015-2016 District Accountability Report

For more information visit www.nevadareportcard.com

Mission Statement

In partnership with the community, we will make the most of every day for every student by empowering them with the skills, knowledge, values and opportunities to thrive.

Superintendent's Highlights

While no single report can tell the complete story of our educational accomplishments, the following are a few highlights from our District of the 2015-2016 school year:

Carson City school District has a comprehensive 1:1 Mobile Device Initiative where laptops computers are provided to students in grade 3-12.

Carson City School District recognizes that middle school students are at risk for meeting academic benchmarks and carrying good study habits into high school. Since the Learner Centered Model was introduced, students who passed all of their coursework in our middle schools increased from 75% in 2013 to 93% in 2016.

Competitive State Grants totaling \$5.34 million dollars were awarded to the District to implement and sustain a variety of educational initiatives and programs.

Nearly 25% of students in the District's English as a Second Language exited the program this year compared to 13.2% last year.

In an effort to assist credit-deficient students work toward graduation, 456 credits were earned/recovered through the District's on-line and afterschool programs.

A Career and Technical Education (CTE) component was added to The Jump Start College partnership with Western Nevada College.

Of the students in our Career and Technical Education (CTE) programs, 92% passed the Workplace Readiness Assessment and the number of students who passed the End-of-Program Technical Assessment exceeded the state performance indicator by 17.8%

Goals and Objectives

1. Continue to develop and implement the "Learner Centered" model to improve student academic growth in the District.
 - a. Continue efforts to increase staff efficacy through teacher professional development.
 - b. Challenges students academically with rigorous, meaningful curriculum and support their efforts with school-based assistance and by engaging parents to a greater degree.
 - c. Use classroom data to identify struggling students and focus teacher time and resources to prevent failing grades and early credit deficiency.
2. Re-convene the Master Plan committee to develop the next five years of Bond projects and Capital projects. The Strategic plan will guide the discussion about potential facilities.
3. Work with trustees, staff, community partners, school principals, and Nevada Photo Source to develop and implement a District communication plan.

District Communication Efforts

The Carson City School District televises the Board of Trustees through access television twice each month. Each school distributes a monthly newsletter to parents and community members as a means of keeping the public informed about school activities, programs, and events. Elementary schools hosted Parent/Teacher conferences at the end of the first quarter, and than again at the end of the third quarter. Test results and interpretation guides are sent home at the completion of each standardized test cycle. Each school maintains a website providing school-wide information. The district provides a website (www.carsoncityschools.com) where parents and community members can obtain information regarding policies, procedures, curriculum and assessment results. Elementary schools utilize PeeChee folders to communicate with parents on a weekly basis. Each school hosts school-wide activities to encourage parent participation, i.e. science fairs, family reading nights, math nights, and a variety of other social events. the high schools and middle schools utilize PowerSchool so parents have access to grades and announcements 24 hours a day via the computer.

Discipline

NEW INFORMATION

Demographics and Student Information

Data are provided by the Nevada Department of Education from the state student information system. Gender, race/ethnicity, and special student populations are reported as of count day.

Gender and Ethnicity

2015-2016 District Accountability Report

Data as of: Fall

'N/A' indicates that this population was not present.

** indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008- Current)

District NSPF Results:

2015-16 NSPF results are not available. School ratings will be reported in fall 2017.

The development of this annual state accountability report is a joint effort among the Nevada Department of Education and Nevada school districts. This report is provided to the public as required by the federal No Child Left Behind Act and NRS 385.347. A comprehensive listing of all accountability data, including student test data, may be accessed on the Nevada Annual Reports of Accountability website at www.nevadareportcard.com.
