Mission Statement

Our Community Inspires and Empowers Innovators, Leaders and Thinkers.

Superintendent's Highlights

While no single report can tell the complete story of our education accomplishments, the following highlights occurred during the 2016-2017 school year.

Carson City school District's graduation rate increased to 80% in comparison to the State's rate of 73%. Our comprehensive high school, Carson High's rate was 88% and our alternative high school, Pioneer High's was 72%.

Carson City School District proudly endorses an educational model that focuses on the need of each individual learner. Developed as a result of the federal Race To The Top grants, our teachers use powerful student data systems to support students and apply additional services as needed.

Carson City School District employs a variety of student support systems to help students. The District has six elementary schools, 2 middle schools, a comprehensive high school, a small alternative high school, on-line educational options, adult education, and a dual-credit program that allows students to obtain an Associates Degree from Western Nevada College while also earning the credits needed to graduate from high school.

Carson City School District's Career and Technical Education (CTE) programs had 97% of its students pass the State's Work Readiness Assessment.

Carson City School District and community partners joined together to review and refresh the District's Strategic Plan "Empower Carson City 2022." The plan contains five goals aimed at recruiting and retaining exceptional staff, encouraging students to live healthy lifestyles, promoting community partnerships, engaging parents and families, and developing curriculum that matters.

Carson City School District has developed and maintained a working group of citizens and school staff who are committed to accomplishing the goals, objectives, and strategies of the District's Strategic Plan.

Carson City School District with support from the Nevada Legislature and the Governor employs 14 social workers in our schools to help families receive basic physical, social, and emotional services.

Carson City School District passed a \$15 million dollar capital improvement school bond that will remove all portable classrooms in the district and replace them with permanent brick and mortar classrooms.

Carson City School District began a comprehensive facility improvement project at 16 buildings with the goal of improving educational environments, decreasing energy consumption, and saving money. With guaranteed utilities savings, this project will prevent 974 tons of CO₂ from going into the atmosphere and to conserve 4.5 million gallons of water.

Carson City School District embraces the use of technology and provides laptop computers for students in grades 3-12.

Goals and Objectives

Goal 1 - Exceptional Staff:

Recruit, provide professional growth opportunities, and retain exceptional personnel for all positions within the school district.

Goal 2 - Curriculum that matters:

Provide multiple pathways that empower lifelong learners, active citizens, and career and college ready students from Pre-K through grade 12.

Goal 3 - Engaged Parents and Families:

Empower and inspire families to positively impact their child's education in a welcoming, informative, and collaborative school culture.

Goal 4 - Healthy Generations of Carson Students:

Advance physical, social, and emotional wellness for all students.

Goal 5 - A Community in Full Partnership:

Actively connect every student with learning beyond the classroom.

District Communication Efforts

The Carson City School District televises the Board of Trustees through access television twice each month. Each school distributes a monthly newsletter to parents and community members as a means of keeping the public informed about school activities, programs, and events. Elementary schools hosted Parent/Teacher conferences at the end of the first quarter, and then again at the end of the third quarter. Test results and interpretation guides are sent home at the completion of each standardized test cycle. Each school maintains a website providing school-wide information. The district provides a website (www.carsoncityschools.com) where parents and community members can obtain information regarding policies, procedures, curriculum and assessment results. Elementary schools utilize PeeChee folders to communicate with parents on a weekly basis. Each school hosts school-wide activities to encourage parent participation, i.e science fairs, family reading nights, math nights and a variety of other social events. The high schools and middle schools utilize Infinite Campus so parents have access to grades, attendance and announcements 24 hours a day via the computer.

Discipline

It is the policy of this District to provide regular in-service education and training about harassment, sexual harassment, intimidation, and bullying for employees and students. Such in-service and training shall include:

- Awareness concerning the various types of bullying, harassment and intimidations; how the bullying, harassment and intimidation manifests itself, and the devastating emotional and educational consequences that may occur.
- Training in the appropriate methods to facilitate positive human relations among pupils without the use of bullying, harassment and intimidation so that pupils may realize their full academic and personal potential.
- Methods to improve the school environment in a manner that will facilitate positive human relations among pupils.
- Methods to teach skills to pupils so that pupils are able to replace inappropriate behavior with positive behavior.

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) and EOC (End of Course Assessment) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.com.

- ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)
- AS = Percentage of students performing in the "Approaches Standards" range of achievement
- MS = Percentage of students performing in the "Meets Standards" range of achievement
- ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

- Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
- Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
- Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
- Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
