Mission Statement

In partnership with families and the community, we will make the most of every day for every student by empowering them with the skills, knowledge, values and opportunities to thrive.

- More than 50 Carson High School Seniors were recognized for collectively earning more than \$5.1 million in scholarships.
- The Carson High School Boys Track & Field Team was honored as the 2022 NIAA Academic State Champions, averaging the best GPA of all 4A schools in the state. The award recognizes all the varsity athletes on the team and their academic success since the beginning of the school year.

- Carson High School Counselor Bridget Gordon was honored as Nevada Association of School Boards' School District Employee Making a Difference; Trustee Mike Walker was honored as the state's Director of the Year; and school board Trustee Joe Cacioppo was honored as the Individual School Board Member of the Year.
- Carson City School District embraced the use of technology and provided a 1-1 device (Chromebook computers) for students in grades K-12, which assisted greatly throughout a school year where teachers continued to execute remote or at-home learning plans for students needing to isolate for COVID-19 close-contact tracing.

District Communication Efforts

District Communication Efforts

The Carson City School District is pleased to announce ParentSquare, a new communication platform. ParentSquare is a safe and secure platform for all school-to-home communication. The two-way group messaging, private conversations, district-wide alerts and notices, and simple user interface keeps everyone connected. The Carson City School District televises the Board of Trustee meetings through access television twice each month. Each school distributes a monthly newsletter to parents and community members as a means of keeping the public informed about school activities, programs and events. elementary schools host Parent/Teacher conferences at the end of the first quarter, and then again at the end of the third quarter. Test results and interpretation guides are sent home at the completion of each standardized test cycle. Each school maintains a website providing school-wide information. The district provides a website (carsoncityschools.com) where parents and community members can obtain information regarding policies, procedures, curriculum and assessment results. Each school hosts school-wide activities to encourage parent participation, i.e. science fairs, family reading nights, math nights and a variety of other social events. The high schools and middle schools utilize Infinite Campus so parents have access to grades, attendance and announcements 24 hours a day via the computer.

Discipline

It is the policy of the Carson City School District to provide regular in-service education and training about harassment, sexual harassment, intimidation, and bullying for employees and students. Such in-service training shall include:

- Awareness concerning the various types of bullying, harassment, and intimidations; how the bullying, harassment and intimidation manifests itself. and the devastating emotional and educational consequences that may occur.
- Training in the appropriate methods to facilitate positive human relations among pupils without the use of bullying, harassment and intimidation so that pupils may realize their full academic and personal potential.
- Methods to improve the school environment in a manner that will facilitate positive human relations among pupils. Methods to teach skills to pupils so that they are able to replace inappropriate behavior with positive behavior.

Curriculum Details

The Carson City School District provides a comprehensive Nevada State Standards based Pre-K-12 curriculum that involves core subject areas, arts, humanities, physical and career technical educational opportunities to meet the diverse needs of its student population. Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada’s academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.nv.gov.

- ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)
- AS = Percentage of students performing in the "Approaches Standards" range of achievement
- MS = Percentage of students performing in the "Meets Standards" range of achievement
- ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

- Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
- Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
- Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
- Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
