<b>Facility Limitations:</b>							
With the new expansion of Mark Twain ES, space is no longer an issue.							
<b>Difficulty Hiring Instructors:</b>							
K-8 elementary positions continue to be hard to fill for the 2019-2020 school year. Currently, CCSD has K-* positions advertised. Recruitment efforts are ongoing.							
<b>Funding Limitations:</b>							
CCSD is dependent on the Distributive School Account (DSA) and Class Size Reduction (CSR) funding to comply with NRS 388.720. If a grade level is slightly above the class size requirement, we may be unable to justify an additional teacher.							

**Projected Enrollment Growth:**  
Based on current projections, no additional growth is anticipated at the elementary level.

**Detailed School Level Plan to Reduce Student-to-Teacher Ratios (Including Timeframes):**  
Mark Twain ES currently has 17 students on zone variances. No additional zone variances will be approved for the 2019-2020 school year. The Carson City School District is in the process of purchasing an additional school site that will potentially be used as an elementary school in the 2021-2022 school year. If the purchase takes place, students throughout Carson City will be rezoned thus lowering the enrollment of students at all six elementary schools.
