Bethlehem Lutheran, Saint Teresa's, and Carson City School District Partnership GATE Nominations for 2023-2024

As always, we will be offering our GATE nomination process to students coming into Carson City School District from our local private schools. If you are interested in having students go through CCSD's GATE nomination process, please let us know.

We can take incoming students through our nomination process, including the CogAT, which we will offer in early June. CogAT testing will take place on June 9th from 8:30-12:30 only for students who are currently enrolled in Carson City School District and have a completed nomination packet on file.

Thank you for your partnership!
